01

地方文献的价值：历史的根基与多元功能

The Value of Local Documentation: Historical Foundation and Multiple Functions

地方文献兼具“一方之全史”与“百姓之乡愁”的双重角色。

Local documentation serves a dual role as the "Comprehensive History of a Locality" and the "Collective Nostalgia of its People."

地方文献的三大核心功能：存史·育人·资政

The Three Core Functions of Local Documentation: Preserving History, Cultivating Minds, and Informing Governance.

双重目标：物理保护 + 永久保存

Dual goals: Physical
protection + Permanent
preservation

用：从文献到资源

Activation and Utilization: From Documents to Resources

通过主题展览、深度研究、数据库（如“湖南地方文献数据库”）与新媒体平台，让静态文献转化为动态的文化资源，服务于公众与社会。

Through themed exhibitions, in-depth research, databases (e.g., the "Hunan Local Documents Database"), and new media platforms, we transform static documents into dynamic cultural resources that serve the public and society.

03

未来展望：跨界协同与智慧服务

Future Prospect: Collaboration & Smart
Services

从独角戏到协奏曲：构建跨界共同体

From “Solo” to “Symphony” : Building a Cross-Sector Community

跨界合作的必要性：打破图书馆单一主体格局，与博物馆、档案馆等机构结成资源共建联盟，实现文献、文物、档案的联合目录与一站式获取。

The Need for Cross-sector Collaboration: Break away from the standalone library model. Partner with museums and archives to build resource-sharing alliances. Achieve joint catalogs and one-stop access to all materials.

可持续的协同机制：形成可持续的协同机制，让地方文献保护成为全社会共同参与的行动。

A Sustainable Collaborative Mechanism: We will establish a sustainable collaborative framework. This transforms the preservation of local documentation into a common cause for the whole of society.
