A MUSEUM IN A PUBLIC LIBRARY

Conclusions

- Through this project, we want to keep the memory alive and offer a unique experience to all those who want to discover the life and work of Emil Isac, an author who has marked Romanian culture since the beginning of the 20th century

The project received the award for best library services from the Professional Association this year.

VISITING CLUJ (*CUTREIER CLUJUL*) APP

- To promote and preserve local cultural heritage among young people, an application was created, Cutreier Clujul, a tool that connects the general public to the values of cultural heritage.

- Thematic routes in our city were uploaded and described in the application, thus providing information about monuments, churches, historical buildings or other tourist attractions.

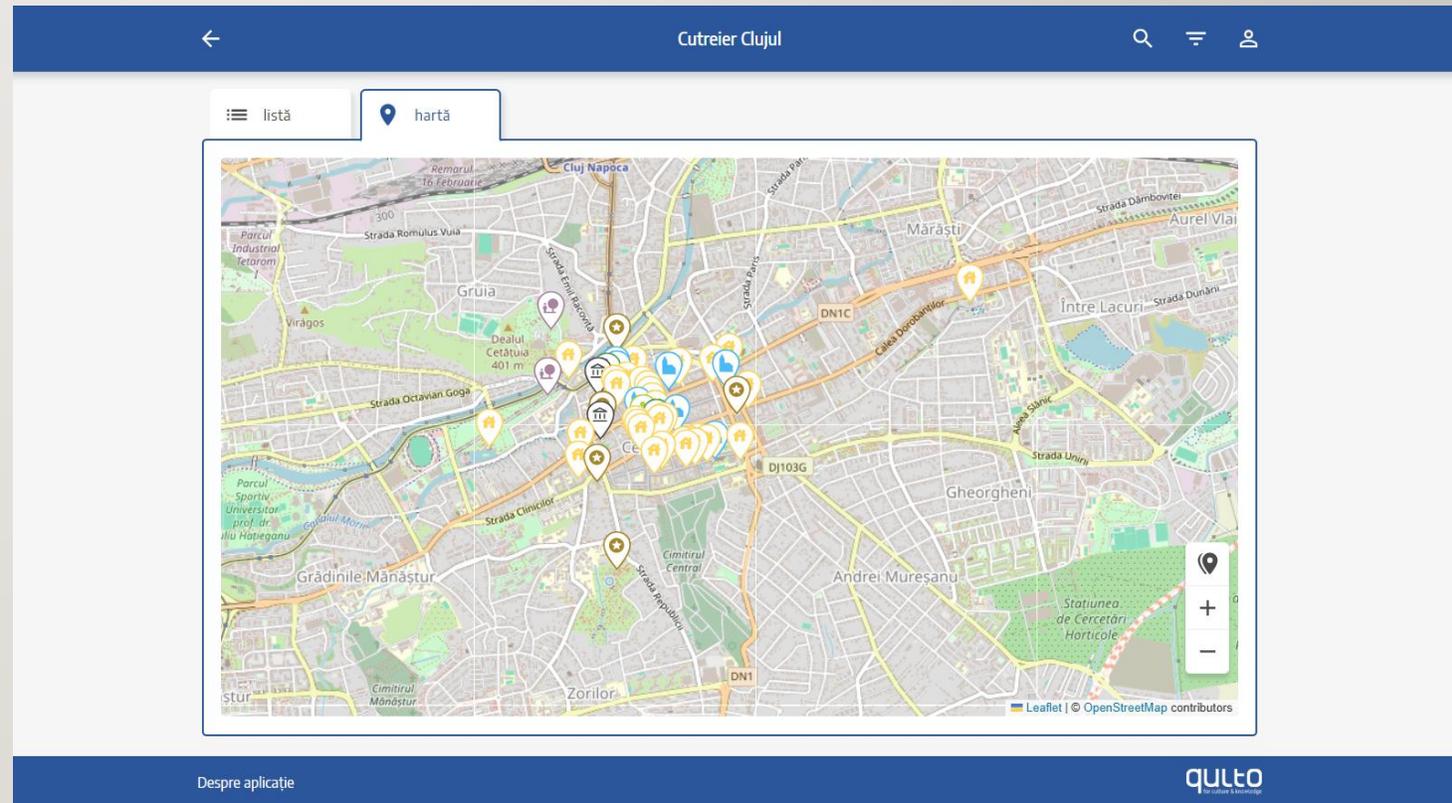

CUTREIER CLUJUL

Descoperă Cluj-Napoca la pas!

Te invităm la o tură de cultură în Cluj-Napoca să afli mai multe despre clădiri, locuri și istoria lor! Participă la concursul organizat de către bibliotecă, detalii în secțiunea Despre aplicație.
